### **MHSRA GROUND RULE**

I. Ribbon Roping – Ribbon Roping rules will follow the Tie Down Roping rules concerning the stock requirements and weight limits.

In the 2020-2022 NHSRA Rule Book it will read: Weight limit for beef calves: 180-210 lbs; dairy calves: 180 – 300 lbs; NO more than button sized horn. NHSRA wants to push the NO more than button sized horn for safety reasons, starting right away.
